

## DRAYTON MANOR HIGH SCHOOL

### ETHIC OF EXCELLENCE AWARD CELEBRATIONS

13 DECEMBER 2019

Friday 13 December saw the last Ethic of Excellence Award Celebration of the Autumn Term. These celebrations have been taking place on a fortnightly basis and recognise and celebrate the achievements of our students. Students are rewarded with a delicious brunch and are presented with a certificate by Ms Mills who speaks to them about their success, be it supporting a specific school event or excelling in a subject.

At one of these events it was wonderful to see friends of some of our award winners watch and wait as they received their certificates so that they could congratulate them afterwards, which really captured the supportive nature of our students.

We are looking forward to hosting more Ethic of Excellence celebrations in the New Year.
