

DRAYTON MANOR HIGH SCHOOL

LEAH WHITTAKER UPDATE

MONDAY 13 JANUARY 2020

Leah Whittaker left Drayton Manor in the summer of 2019 at the end of Year 9 to take up a bursary place offered to her at Mount Kelly boarding school in Tavistock, a specialist swimming school. Leah did a final demonstration swim at our swimming gala in the summer, impressing all the Year 7 and 8 students with her speed and perfect technique. In December, at the end of her first term at Mount Kelly, Leah competed in the Swim England National Winter Meet in Sheffield, where she broke the 50m backstroke British Junior Record with a time of 27.07 seconds.

Leah regularly pops in to visit when her term finishes and always says that Drayton Manor feels like home. We wish her all the best in her swimming career and hope she reaches her goal of competing at the 2024 Olympics in Paris.
